UCPath Update: E-024 Rewrite Migration

To: General UCPath Communications distribution

UCPath will migrate the E-024 rewrite to UCPath production on **September 5, 2021**. This new updated derivation logic contains business rules to determine HR Primary Job.

After the migration is complete, UCPath will complete a one-time run to ensure that the new logic is applied to all applicable records. The updated logic will go live on **September 7, 2021.**

Please Note: With this rewrite, UCPath was able to close the following defects:

- UCP-91192
- UCP-86204
- UCP-86224
- UCP-93500
- UCP-96001
- UCP-68553
- UCP-93138

Training Materials:

- New job aid "*HR Primary Job Derivation Logic Workflow*" will be available on September 7,2021

UCPath would like to extend our gratitude to all Location and COE Representatives who assisted in the planning sessions and UAT testing.

Thank you,

UCPath
