UCPath Update: Primary Job (E-024) Migration

To: General UCPath Communications distribution

UCPath will be migrating the new primary job program (E-024) to production on Sunday, September 5, 2021 from 11:00 a.m. until 5:00 p.m.

During the 11:00 a.m. to 5:00 p.m. migration window, location users can continue initiating PayPath and mass PayPath transactions. However, the ability to approve PayPath and mass PayPath transactions will be prevented.

If a user has access to initiate and approve PayPath transactions, they will not be able to initiate transactions during this time.

A notice will be distributed when the migration is completed and location approvers can continue reviewing and approving PayPath and mass PayPath transactions.

Thank you,

UCPath
