UCPath Notice: Employee Open Enrollment Webinars

To: General UCPath Communications distribution

Open enrollment will start **Thursday, October 28, 2021, at 8 a.m.** and end **Friday, November 19, 2021, at 5 p.m.**

UCPath will host several open enrollment webinars between **October 26 and November 16.** We are introducing a few exciting changes based on your feedback from last year:

- We've moved information about plan changes to a new online Benefits Open Enrollment 2022 course that includes a demonstration of the enrollment process on UCPath. Complete this online course **prior** to attending a webinar.
- The new and improved webinar will include a demonstration of Alex the new personal benefits coaching tool
- There will be more time to answer questions about information covered in the Benefits Open Enrollment 2022 course

Note: This webinar will **not** include:

- A live presentation of open enrollment plan changes (replaced by the self-paced Benefits Open Enrollment 2022 course)
- Information for retirees. For more information, visit UCNet
- Questions about individual cases. For personal benefits questions, please contact your location HR department or visit UCPath and select *Ask UCPath* to submit an inquiry.
