Other Updates & Reminders:

- The temporary change to vacation accrual maximum ends June 30, 2022. Employees must reduce vacation balances below the maximum accrual amount prior to June 30, 2022, to continue accruing additional time. Reference UCnet for more details. Remember, employees will not lose vacation they have accrued and there is no set time limit for when they must use the vacation. Employees will just not accrue additional vacation until their balance is reduced below the maximum accrual amount.
