UCPath Notice: PTO Accruals for Policy Covered Biweekly Employees

To: General UCPath Communications distribution

UCPath has identified an issue with biweekly employees not accruing additional paid time off (PTO) hours on the last accrual for the October 16, 2021 pay period.

It is not necessary to submit any requests for accrual updates as UCPath is working to identify impacted employees. We expect to have these updates completed by **November 2, 2021.**

We apologize for the inconvenience. We will provide an update once the issue is resolved.

Thank you,

UCPath
