Did you know? The Search/Match page should always be checked prior to processing a hire to determine if the individual has a current or prior UC position

- Navigation: PeopleSoft Menu > Workforce Administration > Personal Information > Search for People
- Users can search by social security number, first name and last name, or date of birth and first name
- Leverage the results on the Search/Match page to select the correct action/reason on templates
- Templates submitted with an incorrect action / reason will be cancelled and will require the user resubmit with the correct action / reason
