UCPath Update: Redesigned Off-Cycle Dashboard Now Available

To: General UCPath Communications distribution

UCPath released a redesigned off-cycle dashboard (UCP-102269) on October 18, 2021.

Overview of updates:

- A tab to display data from flat dollar amount (1-618) and regular time entry (I-181) files, including earning details
- A “Request Type” column to indicate final pay, off-cycle, or overpayment
- A “Legend Definition” functionality with updated transaction statuses and simplified descriptions

The off-cycle dashboard is accessible in UC Reports and through the UCPath dashboard under Quicklinks.
