UCPath_Vertical response 650x126 Email Header 2

UCPath Alert: Data Warehouse (Reporting Instance) Time Change

To: IT, Business and Communication Leads

Action Request: Share as appropriate within your location

The UCPath Reporting Instance is running longer than originally expected which caused a delay in the delivery of local data.

Impact:
All location extracts have been delivered. UC Berkeley is in progress with an estimated delivery by 12:00 p.m.

There is no impact to system-wide reporting in Cognos.

We apologize for the inconvenience.

Thank you,
UCPath
