Dear Colleagues,

In partnership with Risk Management, the FOM|UCPath Training Team, and UCPath Center (UCPC), UCR is bringing you an end-to-end Workers' Compensation Leave Process Training.

This in-person training will provide an end-to-end overview of the Workers' Compensation leave process from local and UC policies, to Departmental submission in ServiceLink to Shared Services' transaction in the UCPath system. The training also allows participants to interact with advanced Workers' Compensation scenarios from a policy and process perspective as well as covering the new system processes and entry in both ServiceLink and UCPath.

Intended audiences for this training include Supervisors, Leave Coordinators, HR/AP Business Partners, and Shared Services Centers.

Two in-person trainings are scheduled at the following times. Please register via the LMS prior to attending one of the two scheduled trainings.

- Wednesday, September 19:
  - Workers' Compensation Leave Process Training (In-Person Training, 3.5 hrs) from 1:30PM to 5PM in Intellicenter Training Room 127.
- Friday, September 21:
  - Workers' Compensation Leave Process Training (In-Person Training, 3.5 hrs) from 1:30PM to 5PM in EHS Lyceum.

Clicking on the hyperlinks above will direct you to the corresponding registration page in the LMS. You can also register directly from the UC Learning Center, [http://www.ucrlearning.ucr.edu/](http://www.ucrlearning.ucr.edu/).

Please be aware that seating is limited and that the sessions are expected to fill up quickly. At your earliest convenience, please register for one of the sessions through the LMS.

If you have any questions or concerns please feel free to contact Kathleen Cool, Principal Trainer at fomucpathtraining@ucr.edu.

Thank you,
FOM|UCPath Team
