UCPath Is Here!
All UC Riverside faculty and staff may now access UCPath.

View Your Pay Statement on the UCPath Employee Portal
Effective today, monthly pay statements are available on the UCPath portal: [https://ucpath.universityofcalifornia.edu](https://ucpath.universityofcalifornia.edu). Use the UCPath portal to:

- View your earnings statement (January 2nd for monthly employees and January 10th for bi-weekly employees)
- Check your vacation, sick and other leave balances (e.g., sabbatical leave)
- Make changes to your personal information
- Sign up for (or update) your direct deposit

UCPath is mobile-friendly on any device and available 24 hours a day, 7 days a week. The portal includes tutorials and step-by-step instructions for most UCPath features. If you need more information, please download this [New Portal with UCPath handout](#).

UCPath and Employee Pay
With UCPath, you will see a number of changes:

- **Your new UCPath earnings statement**: Your UCPath paycheck and earnings statement look different now. For a summary of the new features, click [here](#). Your new earnings statement includes your new employee ID number. Vacation and sick leave balances are no longer on paychecks or earnings statements. With UCPath, you can view your leave balances on the UCPath portal with your computer or mobile device. Your earnings statement is available on the UCPath portal two days before pay day.

- **Pay calculations and deductions**: UCPath uses current industry-standard, automated calculations for payroll deductions and withholdings. As a result, some deductions may be shown in a new order or be listed under different names. You may also notice differences due to new tax rates, voluntary deductions, benefit rates and benefit elections that are unrelated to UCPath ([Please view page two of this UCPath Paycheck document](#)). If you have questions, please contact your supervisor, HR/AP staff, or your relevant Shared Service Center.

- **AYSO** is now primarily view-only for functions that are moving to UCPath [click here](#) to see the differences. Access your AYSO account [here](#).
  - You will still access AYSO to manage beneficiaries and estimate retirement earnings.
  - Retirees will use AYSO to view retiree pay statements and 1099-R statements.
  - W-2s and earnings statements for 2017 and earlier will continue to be available on At Your Service Online (AYSO).
  - W-2s and earnings statements for 2018 and beyond will be available on UCPath.

- **You will no longer be receiving an email** notifying you that your paycheck has been direct deposited. Please confirm your deposits as you normally would.

- **Paycheck delivery**: If you receive a paper paycheck, *it will be sent to your home address by U.S. Mail* on payday. It will arrive at your home address *after* payday. This is a good time to sign up for direct deposit directly in UCPath.

For More Information
- Find more information about the UCPath project, please visit the following UCPath websites: [http://ucpathproject.ucop.edu](http://ucpathproject.ucop.edu) or [http://fomucpath.ucr.edu](http://fomucpath.ucr.edu) or for faculty [http://ucrpath.ucr.edu](http://ucrpath.ucr.edu)
